

Heidi Alayne Piano Studio – Student Application

This studio is intentionally small and selective. Please complete this application thoughtfully. Paragraph responses are required for all written questions.

Student Information

Student's Full Name

Student's Age

School / Grade Level

Parent/Guardian Name(s)

Email Address

Phone Number

Musical Background

Has the student studied piano before? (Yes / No)

If yes, please describe the student's previous piano experience. (Paragraph response required)

Musical Interests

Which style of music is the student most interested in? (Classical / Pop / Other)

Please explain the student's musical interests in a short paragraph. (Paragraph response required)

Practice Environment & Instrument

What type of piano or keyboard does the student currently use at home?

- Acoustic upright or grand piano
- Digital piano with weighted keys
- Keyboard (non-weighted keys)
- No instrument currently

Please describe the practice setup at home, including where the piano is located and whether it is near distractions such as a television or other regular noise. (Paragraph response required)

Commitment & Practice

How many days per week can the student realistically practice? (3–4 / 5–6 / Daily)

On average, how much time per practice session? (20–30 / 30–45 / 45–60 minutes)

Who is primarily responsible for ensuring practice happens? (Student / Parent / Shared responsibility)

Goals & Motivation

What are your goals for piano study?

- Strong musical foundation
- Advanced performance skills
- Preparation for high school or college opportunities
- Personal growth and discipline
- Long-term artistic development

Why are you interested in this studio specifically? (Paragraph response required)

How does your family support long-term commitments such as regular practice and consistent attendance? (Paragraph response required)

Studio Fit & Expectations

Please acknowledge the following:

- This studio is for students who are serious about learning and consistent practice is expected.
- Continued enrollment depends on effort, preparation, and commitment.
- Missed lessons or lack of practice may result in dismissal from the studio.
- Meaningful musical growth is valued over casual participation.

Final Question

Why do you believe your child would thrive in a structured, high-expectations piano studio? (Paragraph response required)

Next Steps

Applications are reviewed carefully. If your family appears to be a strong fit, you will be invited to schedule a consultation lesson.

Submitting this application does not guarantee acceptance.
